Life after the Piscine

CODAM

AMSTERDAM | 42 NETWORK

NO QUALIFICATIONS REQUIRED, JUST THE WILL TO LEARN.

Yay! Almost there!

After the final exam:

- Have you exchanged contact details?
- Leave the building
- Go for a drink or really long nap
- Rest up and be proud of yourself! <3

And now we wait...

Within two weeks after finishing (so before August 16th) you get an email from Codam with your result

Getting rejected

- Says nothing about your coding skills, just that Codam is not a right fit for you
- There's a lot of ways to learn how to code, please don't give up on it!
- We select with great care, our decision is final
- Rules for retrying: you can retry once in one year, if you want to retry earlier contact staff

Getting accepted

- Congratulations on being part of cohort 2024!
- ...unless this is not the right time for you to start? Come talk to us if that's the case!
- We start on Monday October 7th
- First two weeks introduction period

What you can expect from Codam

❏ We pay your tuition

❏ We provide the facilities for peer-learning

❏ We do our best to support you

❏ We organize events

❏ We keep you informed on any changes or news that affect you

What Codam expects from you:

- ❏ Be here
- ❏ Validate your projects on time
- ❏ Be active
- ❏ Communicate

The Paced System

- All 42 schools use the Paced System
- At the beginning of your curriculum you choose your Pace
- Your Pace is the combination of
  - How many hours a week you aim to spend at Codam
  - How long you will take to finish Codam Core
- Your deadlines are based on this Pace

The Paces

PACE 8	PACE 12	PACE 15	PACE 18	PACE 22
~ 50 hours / week	~ 40 hours / week	~ 35 hours / week	~ 30 hours / week	~ 25 hours / week

Combining Codam with the rest of your life

- What does your week look like?
- What are you combining Codam with? Job, study, hobbies, caring for people, self-care, commuting, life events... It's a lot to balance!
- Codam is a fulltime commitment, your main gig...
- Setting your own schedule - fun but difficult for some!
- Get help with this if you need it! (your peers, SAS, Annabelle, Codam Backup)
